Tallahassee, May 11.—Following is the full text of Senator Blount's substitute for Representative Avery's "Jim Crow" bill:

A Bill to be entitled: An act to provide for the separation of White Passengers on Street Cars from Negro Passengers thereon.

Be it enacted by the Legislature of the State of Florida:

Section 1. That all street car companies or persons operating street cars in this state shall furnish equal accommodations for white and negro passengers.

Section 2. That every street car company or person operating a street car line in this state shall make provisions, rules and regulations for the separation in the cars of such lines of white passengers from negro passengers. A failure or refusal by such company or person to make such provisions, rules and regulations shall be a misdemeanor, and upon conviction thereof he or it shall be punished by a fine not exceeding \$5,000.00 for each offense. Each continuance for 60 days of such failure or refusal shall constitute a separate offense.

Section 3.—That the conductors or

other employees in charge of such cars shall assign passengers to the places provided for them by such provision, rules or regulations, and shall enforce such provisions, rules and regulations, and for the purposes of such assignment and enforcement are hereby invested with police powers. Any such conductor or employee in charge, who shall fail or refuse to make such assignment or to enforce such provisions, rules or regulations, or shall permit white and colored passengers to sit together, shall be guilty of a misdemeanor and upon conviction shall be fined not exceeding \$50 or imprisonment not exceeding 30 days in the county jail.

Section 4. That any passenger willfully occupying any place in any car other than that to which he has been assigned, shall be guilty of a misdemeanor and upon conviction shall be punished by a fine not to exceed \$25 or by imprisonment not to exceed 30 days. Conductors and all other employees in charge of any car are hereby clothed with the power to eject from the car any passenger who refuses to keep the place to which he may be assigned.

Section 5. That the provisions of this act shall not apply to negro female nurses having the care of white children or sick persons, nor shall be construed to prevent the running of extra or special cars for the exclusive accommodation of white or negro passengers, if the regular cars are operated as usual as required by this act.

WILL FIGHT PROPOSED BILL

STEVEDORES BENEVOLENT ASSOCIATION CALLS UPON OTHER ORGANIZATIONS FOR ASSISTANCE.

A fight, which will no doubt be an interesting one, has been inaugurated by the members of Stevedores' Benevolent Association No. 1, against the introduction and passage of a bill supposed to have been drawn up by the merchants and business men of the state. It is an amendment to the present garnishment laws, and while the exact language and status of the bill is not at present known, it is supposed to be prejudicial to the interests of the laboring men of the entire state, and especially to those of Pensacola.

The laboring men believe that it is the intention of the merchants to have the present law so amended as to garnish the salaries of men who are at the head of families, and while it is not the desire of the working class to defend any dead beats they wish it understood that they do not think it just that merchants and others seize their entire salaries for a small bill, where the costs of court will exceed the original bill.

Last night S. B. A. No. 1 held a special meeting for the purpose of discussing this measure, which will be introduced in the legislature at an early date, and appointed a committee to confer with all other unions of the city in order that proper steps may be taken to defeat the objectionable measure.

Other meetings will be held, as all organizations have been requested to call special meetings.

EXPOSURE

The cold draughts of air, to keen and cutting winds, sudden changes of temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure.

Mrs. A. Barr, Houston, Texas, writes, Jan. 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." 25c, 50c, \$1. Sold by all druggists.

SMOKE A GOOD ONE

PREPARED BY FRANCES, MOBILE, ALA.

Beer needs no words of recommendation and praise before the public. A beverage as brewed by that extensive firm is like U. S. currency—people take it because they know it is an

is not equal to the demand. Even so with Lemp's product. Located at St. Louis he established one of the largest breweries in the world, and yet every year the capacity has to be increased.
